Call for applications

Applications are invited from interested and eligible candidates for filling up two positions of '**Project Associate**' in a collaborative research project of Atal Incubation Centre- Centre for Cellular and Molecular Biology (AIC-CCMB), Hyderabad and the Centre of Research for Development (CORD), University of Kashmir, for the engagement of the research staff for the newly established Conservation Science and Innovation Laboratory (CoSI Lab), based at CORD, University of Kashmir. The research project is funded by the Rural Electrification Corporation Limited (RECL) through its CSR initiative. The positions are offered with a monthly stipend of **Rs. 35,000-40,000/- (consolidated)** and are purely on temporary basis for a period of one year. The candidate should be an Indian citizen with Masters Degree in **Biotechnology/Life Sciences** with at least 55% marks with training and experience in molecular biology lab based skills. Only those candidates with age less than **35 years** on the interview date are eligible for these positions. The candidates must be dedicated and sincere in their approach towards science and conservation, and will be positioned at the CoSI Lab, CORD, University of Kashmir, Srinagar after selection. Detailed eligibility and job description is given in the link below. **Interested applicants are directed to apply only through online mode by filling an online google form by opening the link below and clicking on Apply Here.**
