NEW DELHI - 110019 (INDIA)

FELLOWSHIP OF THE YEAR AWARD - 2013

Prof. Azra N. Kamili did her Ph.D in Botany in the year 1984 from University of Kashmir. She is Professor and Director, Centre of Research for Development and also Head Department of Environmental Science, University of Kashmir. She has significantly contributed in fields of Plant Sciences and Environmental Science. She has worked on micropropagation of many medicinal and economically important plants of Kashmir Himalaya. In addition she has worked on antimicrobial and antioxidant activities of number medicinal plants of this region.

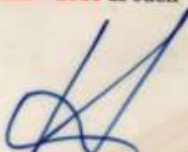

Prof. Kamili has also significantly contributed in the field of microbial ecology and produced many research papers related to the microbial flora of various ecosystems. She has 119 research papers and seven books to her credit. She has till date undertaken 14 research projects. Apart from guiding series of M.Sc/ M.Tech/ B.Tech projects in Environmental Science and Biotechnology, she has supervised 15 Ph.D's and 20 M.Phil's in Botany and Environmental Science. Presently 17 Ph.D/M.Phil scholars are working under her supervision. She has a research experience of about 33 years and teaching experience of about 30 years at P.O. level in Botany, Environmental Science and Plant Biotechnology.

Prof. Kamili is Coordinator of DBT, Govt. of India, sponsored Network Project on Tissue Culture of Saffron (2012-2016.) She is the member of various committees at National and state level. She has Received Gold medal, trophy and Certificate of appreciation by FFI at New Delhi for contribution in the field of science in March, 2011 and "Lady Special Award & Certificate" from 92.7 Big FM for contribution in the field of Science, April 2012.

Considering all her achievements and outstanding contributions in the field of **PLANT TISSUE CULTURE, CONSERVATION BIOLOGY MICROBIAL ECOLOGY** the **BOARD OF AWARDS** of the Academy has recommended her name for the **FELLOWSHIP OF THE YEAR AWARD - 2013** as such the Academy confers upon her the same today on the 9th December, 2013.

International Conference on Environment and Ecology

The Search Committee constituted by Scientific And Environmental Research Institute, Kolkata; Foundation for Science And Environment, Kolkata and Confederation of Indian Universities, New Delhi do hereby recognise that

Prof. Azra N Kamli

has been outstanding contribution in the field of Environment and Ecology.

In testimony whereof and by the authority vested in us, she has been selected as

FELLOW

on the occasion of International Conference on Environment and Ecology held on 2nd March, 2015 at Kolkata, India.

She is hereby entitled to use the suffix **FICEE** with all rights, honours and privileges.

This award has been instituted for a selected few accomplished persons enabling them to guide the human race living in a historic transitional period of burgeoning awareness of the conflict between human activities and environmental constraints, preparing to venture into a new millennium and to finally help save the fragile and endangered planet with the natural resources already overtaxed. The recipient of this award will also help in developing a neological and neocratic approach to environmental education for reducing the toll that the World citizenary exact in supporting daily life and the evergrowing problems and exerting profound pressures on the Mother Earth.
