

Further, in spite of the fact satisfactory completion of the EIA program in July, 2017, the Bank Guarantee amounting to Rs. 4,18,000 is still held by the NHPC. It is also requested that the necessary consent letter/NOC may also be issued so that the CORD is able to get the said Bank Guarantee (Bank Guarantee No 38 dt. 19.6.2014 for Rs. 4,18,000) released from the J & K Bank.

Hope you will oblige me by getting the needful done by the concerned NHPC office at the earliest.

Yours sincerely

(Prof. A. R. Yousuf)
