*Purnananda Guptasarma, Ph.D*  
 Professor, Department of Biological Sciences

*Director, MHRD Center of Excellence in  
 Protein Science, Design and Engineering*

27<sup>th</sup> February, 2020

To whomsoever it may concern

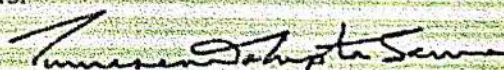

This is to certify that **Dr. Ruqeya Nazir**, Assistant Professor, Microbiology Research Laboratory, COD University of Kashmir, has pursued two months hands on training course on "Protein Biochemistry & Biophysics" at Centre for Protein Science, Design & Engineering (CPSDE), COE-FAST Centre of Excellence, Ministry of HRD, Govt. of India, w.e.f, 6<sup>th</sup> Jan - 28<sup>th</sup> Feb, 2020, understanding the structure and functional relationships of proteins and molecular biology techniques like Recombinant DNA techniques, DNA manipulations, Bacterial transformations, Gene Cloning, Site-Directed Mutagenesis, PCR, Protein Purification, Protein Characterization, using various chromatographic techniques like gel filtration chromatography, ion exchange chromatography, HPLC etc and some spectroscopic and spectrometric techniques like MALDI-TOF etc.

I am confident that she has gained an understanding of the various techniques and projects that are currently going on in my laboratory and that the time spent and the exposure gained will surely enrich and upgrade her scientific interests and enable her to utilize the knowledge gained in her field of research, and in her future scientific pursuits, & achievements. I also hope that we will have some fruitful collaborations in the near future and I look forward to it.

I wish her every success in her future scientific endeavours.

Sincerely,

  
 (Purnananda Guptasarma)

Dr. Ruqeya Nazir  
Senior Assistant Professor  
CORD, Kashmir University  
Srinagar, Jammu and Kashmir

Sub: Invitation for your participation in hand-on training workshop on "Reproductive technologies in wildlife conservation" 18-20 May 2022 in Indian Institute of Integrative Medicine, Srinagar campus.

Madam,

Warm greetings from CCMB Hyderabad!

As a follow up of our work in the NMHS funded project we sought Corporate Social Responsibility funds from PSUs to implement skilling programs and strengthen capacity in CORD, Kashmir University. Through Atal Incubation Centre of CCMB (AIC-CCMB), we have been successful in raising roughly 40% for capital expenses for establishing a lab in Srinagar and roughly 60% for recurring cost for running the lab and conducting training programs for the next 24 months. This facility will be incubated by AIC-CCMB involving scientists from CCMB.

Our first of the series hand-on training workshop on "Reproductive technologies in wildlife conservation" is planned from 18-20 May 2022 in Indian Institute of Integrative Medicine, Srinagar campus. This workshop will benefit practicing researchers, veterinarians and biologists. I request you to encourage students and faculty members to apply online for participation in the workshop.

It would be our privilege to have you as our guest at the Inaugural Function on 18<sup>th</sup> May, 2022, 10 am to 11 am and for the Valedictory Function on 20<sup>th</sup> May 2022, 330 pm to 430 pm at IIM Srinagar Campus. I eagerly look forward to your confirmation and discussing with you about the activities planned.

Sincerely,

Karthikeyan Vasudevan కార్తికేయన్ వాసుదేవన్
